

**Employee Payroll Deduction Form 2023-2024**

Auburn Public Schools Foundation  
915 4<sup>th</sup> Street NE  
Auburn, WA 98002

**Since 2011, the APSF has given more than \$500,000 to Auburn School District classrooms** to support student learning and healthy initiatives. We are *Granting Opportunities for Student Success* by providing funding for STEM, literacy, the arts, and nutrition in your classrooms. It is our goal this year to provide \$100,000 in classroom based grants across the Auburn School District.

These opportunities only exist because of donors like you. Over the next three years, we have set a goal to celebrate giving \$1 Million to Auburn School district classrooms. To do this, we are asking YOU to become a partner of the Foundation. If every staff member in the district donated \$10 per month, we would raise \$240,000 per year to invest back in ASD classrooms and schools! Your generosity creates endless possibilities for students in the district.

Thank you for your contributions,
